

Jerobeam Clown Diving Team

Jerobeam Team is an internationally known **Water Circus Team from Finland** making thrilling stunts into water from diving platforms. The Team has thrilled thousands of smiling spectators around the world with precision somersaults and stunning stunt dives, involving ladders, bicycles pyrotechnics and more. The fast-paced, multi-talented athletes of the team, dressed in a variety of costumes, make it look easy and funny. Jerobeam Team has been developing clown diving into a concept so that each clown would carry a character as a part of the show both in technique and as a persona. Today the team is built up with highly skilled professionals and has taken the art of clown diving into a whole new level!

Established 1969 by **Mr Osmo Meskanen**.

Osmo Meskanen (Jerobeam Salakyttä) ,born 1944 is a finnish diver who has won gold in the Finnish national championships 33 times and two gold in Scandinavian championships.
